Richmond Summer Breeze Tea

Cuppa Tea Company, 1
N. Morris St., 254-8322

\$2

Cuppa Tea Company's Richmond Summer Breeze tea provides a momentary trip to the warm tropics no matter what time of year you sip it. Black tea combines with papaya, peach and marigold for a fruity flavor that's tropical but not overly sweet. You can try it in the English tearoom with teacakes or take a bag home to brew.
